A D.A.R.E. Officer Training has been scheduled for April 9 - 20, 2018. Training will take place at the Ontario Police College, Aylmer, Ontario. Spaces are going quickly so please contact me soon to obtain Joining Instructions..

This training will include the new High School program which was released in the summer of 2017. This delivery of the High School program is very Officer friendly. The students complete this on-line. The Officer makes an introductory visit, the students obtain an on-line "identity" with DARE, and complete the program. Upon completion the officer attends to present certificates.

The Drug Abuse Resistance Education (D.A.R.E.) program is supported by the OACP.
